Colorful EAGLEWEAR products help keep patients enthusiastic about wearing their headgear.

*Safety Release Spring Modules avoid dangerous "slingshot" rebound injuries while providing measurable, consistent force levels.*

*J-Hook Assembly*

## Safety Release Headgear System

### Safety Release Spring Module

- Use with safety cervical neck straps or high-pull headgear straps
- Reduces risk of "slingshot" rebound of the facebow
- Available in three force levels, with color-coded attachment straps
- Modules available in dark navy blue and white
- Ten modules (5 pair) per package

Spring force	Strap	Navy Module	White Module
Light - 16 oz.	Clear	852-820	
Medium - 20 oz.	White	852-821	852-825
Heavy - 23 oz.	Grey	852-822	

### Safety Cervical Neck Strap

- Dark navy blue
- Smooth seams for patient comfort
- 10 straps per package

852-815

### Safety High Pull Headgear Strap

- Dark navy blue to blend with spring release modules
- 1 strap per package

852-811

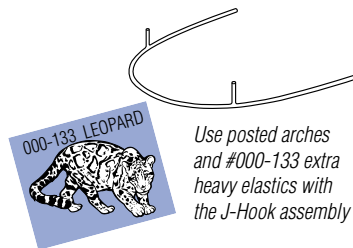

## J-Hook Headcap Assembly

- Headcap and J-Hook pre-assembled for your convenience
- Color coded cheek pads for quick size selection
- J-Hooks easily adaptable for fit and comfort
- Use Posted arches with J-Hook assembly (see page 140)
- Use #000-133 Extra Heavy elastics with J-Hook assembly (see page 151)

Small - beige on black 852-730

Medium - blue on black 852-731

Large - black on black 852-732
